URGENT - Lenten Programme 2008

With Lent starting so early in 2008, we need to begin planning now. We need to know how many are interested in taking part - also volunteers to act as Leaders of the Group; as well as homes for venues. If you offer your home this does not mean you have to act as a Leader - if you would prefer not to, we'll make the necessary arrangements. Please complete today, the sheet at the back of the Churches - including your phone number and address.

AN EXCERPT FROM POPE BENEDICT'S WORLD DAY OF PEACE MESSAGE

The duty to respect the dignity of each human being, in whose nature the image of the Creator is reflected, means in consequence that *the person can not be disposed of at will*. Those with greater political, technical, or economic power may not use that power to violate the rights of others who are less fortunate. Peace is based on respect for the rights of all. Conscious of this, the Church champions the fundamental rights of each person. In particular she promotes and defends respect for the *life* and the *religious freedom* of everyone. Respect for the right to life at every stage firmly establishes a principle of decisive importance: *life is a gift which is not completely at the disposal of the subject*. Similarly, the affirmation of the right to religious freedom places the human being *in a relationship with a transcendent principle which withdraws him from human caprice*. The right to life and to the free expression of personal faith in God is not subject to the power of man. Peace requires the establishment of *a clear boundary between what is at man's disposal and what is not*: in this way unacceptable intrusions into the patrimony of specifically human values will be avoided.
