### ACCESS TO ST PATRICK'S SCHOOL DURING BUILDING

- \* There will be no weekday access from Royston Parade to the school via the top gate nearest to the office. All are asked to utilise the bottom gate when coming on site.
- \* The bus zone and kiss and drop zone may change to make things safer and easier at peak times. Please watch for notice of this in the new year.
- \* There will be further strains on parking once work commences with up to twenty construction workers a day needing to utilise parking facilities. Please be mindful of this and a little patient when needed.
- To save space that would normally be allocated for worksite toilets, lunchroom and office, our hall toilets will be exclusively for workers, along with the interview room and co-ordinator office.
- **Weekend access will remain for Masses with a second gate to be available and opened for normal parking procedures.**
